

How can hikers contribute to maintaining the Pekoe Trail?

Hikers are encouraged to actively contribute to the trail by:

- Reporting fallen trees, landslides, damaged signage, or unsafe sections via trailwatch.thepekoetrail.org
- Sharing responsible trail practices and updates with the hiking community
- Respecting local communities, estates, and private land along the route
- [Buying the trail pass](#) or by [making a donation](#)

Community feedback and on-ground reporting are essential to keeping the Pekoe Trail safe and accessible.
